

The chicken
Soul finger
Don't know why
The girl from Ipanema
This masquerade
Boogie down
On Broadway
Bari Bari Good
Livin La Vida Loca
Why Don't You Do Right
Knock on wood
Moondance
Beautiful day
Have you met Miss Jones?
Just a gigolo
Minnie the moocher
Valerie
Mercy mercy mercy
Get down on it
Superstition
Think
Beyond the Sea
Do nothing 'till you hear from me
Soulman
I got the music in me
Streetlife
For once in my life
I will survive
Soul Bossa Nova
I feel good, I got you
A day in the life of a fool
How sweet it is
On the sunny side of the street
Celebration
